

Guest Lecture on Cartographic Techniques & Innovative Techniques of Agriculture

A guest lecture was organized by PG Department of Geography and Environmental Sciences in Bhai Gurdas Conference Hall on "Cartographic Techniques". Dr. K.S. Sohal, Former Director IAS Studies and Head, Department of Geography, Punjabi University Patiala was the resource person in this lecture. He gave a detailed account of cartographic techniques. Starting from the basics knowledge of the scales like plain scale, comparative scale, time scale etc, map making, lettering and designing of maps, topographic symbols, profiles, bar diagrams, map projections and accurate methods to draw maps. He stressed the need to master cartographic techniques. He also inspired the students in the geographical fields and masters the geographical and interdisciplinary specialization like metrology, climatology, Economic Geography, International Relations etc. In the end, Dr. Gorakh Singh thanked him for taking time and guiding the young minds of Khalsa College.
