

National Webinar on “Effects of Magnetic field on the living system of Earth”

P.G. Department of Geography and Environmental Sciences have organized a national webinar on the theme of “Effects of Magnetic field on the living system of the Earth” where resource person was Dr. Tarlochan Singh Mahajan, HOD Department of Physics and Vice-Principal of Khalsa College Patiala. Another main speaker was Mr. Biswajit Roy Chaudhury from the department of Geography, Vidyasagar College, Kolkata who is also a chairperson of South Asian Institute of Advanced Research and Development (SAIARD), Kolkata was the second speaker of the national webinar. Webinar was inaugurated by the principal Dr. Dharminder Singh Ubha. Over 1000 participants were registered in this webinar. After that Dr. T.S. Mahajan gave detailed information on the effects of magnetic field, paleomagnetic property of the earth. He explained how magnetic field and geographical poles are different from each other. He also cleared the doubts of the participants and discussed the various properties of the earth in terms of magnetism. In last Prof. Meenakshi thanked Dr. T.S. Mahajan and introduced the second speaker Mr. Biswajit Roy. His theme of discussion was “Skill based knowledge approach a way to reach Geographical entrepreneurship”. He tried to make participants aware of the professional front in future based on geographical background. He stressed the need of skill development in the geographical field. He suggested the participants to enhance their knowledge by focusing on the new technology.

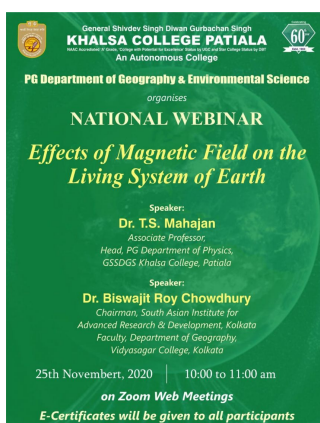

In the end, HOD, Dr. Gorakh Singh thanked both the speakers and hope for better perspective and a bright future for the participants.

Notice

24th November 2020

This is to inform all students that P.G. Department of Geography & Environmental Sciences is organizes

“National Webinar on “Effects of Magnetic field on the living system of Earth” dated on **25th November 2020 at 2:00 pm** in college campus. All students of UG & PG must join the link of lecture on time.

INVITATION CARD

P.G. Department of Geography & Environmental

Sciences

Organized by	P.G. Department of Geography & Environmental Sciences
Activity	National Webinar on "Effects of Magnetic field on the living system of Earth"
Teacher In-charge	Dr. Gorakh Singh
Date	25th September 2020
Time	10:00 am to 12:30 pm
Venue	Online Mode
Main Speaker	Dr. T.S. Mahajan, Mr. Biswajit Roy Chaudhury
Teachers Attendee	Dr. Gorakh Singh, Prof. Amandeep Singh, Prof. Meenakshi, Prof. Amandeep Kaur
Total Participants	500
Participants from	P.G. Department of Geography & Environmental Sciences and other
Activity detail	In this activity Dr. T.S. Mahajan gave a detailed account on the magnetic force and field of earth. He also starts a queries session in which they answer the doubts of participants. Dr. Chaudhury gave lecture on the main question of how geography will survive in modern changing era. He stressed on the need of skill based development in geography.

Lecture By Dr. T.S. Mahajan; Hounring Mahajan Sir by Principal Sir

Sh. Biswaroy Chaudhary Giving a lecture on Imp. of Geo. in Contemporary Times
