

Fresher's party

17 October 2016

A fresher's party was organized for the P.G. students of the department. The students of M.Sc. Maths-I are welcomed by their senior students of M.Sc. Maths-II. All the teachers of the department joined this event and the students also enjoyed a lot. Prof. Sunil Mehta, HOD motivated the students to undertake their studies seriously and enjoy the co-curricular activities in the College. Such events make the junior students to interact with their seniors in a very friendly environment.
