PG Dept. Of CS

On 12th January, 2020 Computonics Club of PG Department of Computer Science visited Kusht Ashram and distributed Medicines and Food items to mark Lohri Celebration.

Lohri is a popular winter folk festival celebrated primarily in the Indian Subcontinent. The significance and legends about the Lohri festival are many and these link the festival to the Punjab region. It is believed by many that the festival marks the passing of the winter solstice. Lohri marks the end of winter, and is a traditional welcome of longer days and the sun's journey to the northern hemisphere by Hindus and Sikhs in the northern region of the Indian subcontinent.
