

Seminar on International Day for Ozone Preservation and Induction Program

PG Department of Geography and Environmental Sciences has organized seminar to celebrate the International Day for the Ozone Preservation. This year the theme of the ozone day was 'Montreal Protocol', keeping our food and vaccine cool. Dr. Gurmeet Singh, Vice Principal and Dr. Jatinder Singh Bhutal were the chief guests of the event. Students of B.A I, II and III and B.A. (S.S) Hons. I, II & III participated in the seminar and gave presentations on the topic. H.O.D. Dr. Gorakh Singh discussed global warming and environmental changes with the students. Dr. Gurmeet Singh also shared his views about the practices lead to the ozone depletion and how to eliminate such particular substances to heal ozone layer. In the end all the participants were given certificates by the chief guests. H.O.D. Dr. Gorakh Singh thanked the management, Principal, Dr. Dharminder Singh, Ubha for helping them to organize the event.

Induction Program :- On the same day Induction Programme for B.A.1st year was done. 120 students were introduced by the H.O.D. Dr. Gorakh Singh to the college rules and to the department.
