Paper Presentation Competition by the Computonics Club of Khalsa College Patiala

Punjab Times News
Patiala , April 20

A paper presentation program was conducted by the Computonics Club of the Post Graduate Computer Department of Khalsa College, Patiala. Students of BCA, PGDCA, M.Sc (IT), B.Vocational participated in this competition. The students read papers on modern technical subjects like IoT, Artificial Intelligence, Blockchain Applications, Digital Marketing, Programming Languages, Cloud Computing etc. On this occasion Col. Omkant Bhatia was also honored

with the Award of Honor. The Principal of the College Dr. Dharminder Singh Ubha lauded the efforts of the department and said that such activities, besides

enhancing the skills of the students, also enhance the technical awareness in them. Dr. Ubha also congratulated the winner students. Prof. Sukhmeen

Kaur, Head Computer Department, appreciated the initiative of the students in presenting papers on innovative ideas during the competition and encouraged

them to participate in such high level competitions in future. Prof. Inderbir Kaur, Convener Computonics Club, informed that such programs are organized by the department so that the students can keep pace with the modern technological age. Prof. Inderbir Kaur and Prof. Jatinder Kaur acted as judges. In the competition Ashmit Kaur M.Sc. - IT - Part I, Harpreet Kaur B.C.A Part-II won first place, Divas PGDCA, Abhijit B.C.A Part-III. Harvinder BCA Part-III and Jasmeet Kaur BCA Part-II came second and third respectively. During this competition Prof. Satveer Kaur conducted the stage.
