

# **Student Induction Programme**

**2021-22**

23<sup>rd</sup> September, 2021

## **Notice**

## **Report**

The induction Program was Conducted on 23<sup>rd</sup> September, 2021. Various events like dance, music and prize distribution were organized by Department. The main objective of this program was to make students feels comfortable in the new environment.

In the Orientation Program, the Principal, Head of Department and other college functionaries address and welcome the new students. It served to provide space for telling the new students about College, different facilities provided by the college, different cells of the college, Department, Computonics club of the Department and their academics & curricular activities etc.
