

WORLD TSUNAMI AWARENESS DAY CELEBRATION

Department of Geography organized educational trip of B.A. III students to Anandpur sahib and Ropar. Students were given information about the origin of shivalik hills, its structure, flora and fauna and soil sample. They were also given information about the origin of Fold Mountains. Students were very excited to know about the internal forces of earth and about their constructive and destructive activities. Students were very happy during the trip. This educational trip was headed by HOD, department of geography, Dr. Gorakh Singh and Prof. Jatinder Singh, Assistant Professor, Public Administration.
