

Anti- straw burning awareness campaign

Participants : 85 UG & PG Agriculture students

PG Department of Agriculture, GSSDGS, Khalsa College, Patiala, Punjab organised one day anti- straw burning awareness campaign on dated 4-10-19 with 85 students. Dr. Sunil told about the control staw burning because this is very seriaus proble for environment like soil, water, plant and animals as well as human health, so that farmer can prepare organic manure like NADEP Compost, Rural Compost etc.
