This day is highly auspicious in the history of Khalsa College, Patiala because two great personalities of Sikh Panth are present with us. Both these personalities are the pride of our religion. I heartily welcome both these reverent personalities on behalf of my staff members (teaching and non-teaching) and students. The chief guest of the function Sr. Satyajit Singh Majithia is a multi-faceted personality. He is highly educated, a prominent industrialist and a capable manager. In addition to it, he is the owner of a special hereditary legacy whose special qualities, I would like to define in detail. He is the great grandson of Raja Surat Singh who fought courageously with Britishers in front row of the Chelian Wala battle which was fought under the command of famous Sardar General and Raja Sher Singh Attari during the regime of Maharaja Ranjit Singh. He is the grandson of S. Sunder Singh Majithia who with help of Sir Chotu Ram freed the peasants of Punjab from the burden of debt and from the grip of moneylenders. S. Sunder Singh Majithia is also considered among the founders of the Khalsa College, Sri Amritsar. He is the maternal grandson of General Shivdev Singh who was the Prime Minister of Nabha state of undivided India. He is the son of former Deputy Defense Minister Sr. Surjit Singh Majithia who remained the Member of Parliament consecutively for four terms and who was former ambassador to Nepal. General Shivdev Singh Diwan Gurbachan Singh Khalsa College, Patiala Trust is a great contribution of his maternal family. Presently the chief of this trust is S. Stayajit Singh Majithia.

Our other honourable personality who is presiding over this function is Prof. Kirpal Singh Badungar who is not only the Head of the highest body of the Sikhs-the Shiromani Gurdwara Parbandak Committee but also is the President of Managing Committee of our college. Prof. Badungar belongs to a Sikh family and a thoroughly matured personality who has made progress in life with hard-work, tenacity, consistent honesty and devotion towards his duties. He is the living example of simplicity, humility and intelligence. He is not only a master in English Language but also a master in
