**Honor Your Doctor on National Doctors Day
(01.07.2023, 20 Participants)**

Divinity Club, School of Commerce and Management organises an activity "Honor your Doctor" to pay gratitude to the doctors on "National Doctor's Day July 1st 2023". Doctors not only cure us of ailments and make us healthy, but they also teach us how to take care of our health. The participants of the activity made a thanks giving card and gave it to their doctor for their selfless services. They clicked a picture while giving the card to the doctor and shared with the divinity club. Expressing Gratitude to Doctors on their special day not only boosted their satisfaction with their work but also helped them to be more empathetic to their patients.

Earth First 2023

(18.09.2023, 85 Participants)

The Divinity Club, School of Commerce and Management, GSSDGS Khalsa College Patiala, organised a practical learning programme "Earth First 2023" on the theme of 'Sustainable Living'. The goal of this program was to raise awareness among students about environmentally harmful habits in our daily routine that we don't even realise we have. The aim was to teach them some simple sustainable life techniques. Students were taught how to prepare organic compost from their kitchen waste and grow their own organic food. They were also motivated to send wastes for recycling. Students were made aware of healthy eco-friendly alternatives to avoid chemical pollution. This programme also provided a platform for students to exhibit their sustainable living learnings to the entire campus in the form of an exhibition, in order to motivate the entire society to live in a sustainable manner. The programme was designed to first make people comprehend that dangerous practices are not only harming the earth's ecosystem, but are also lowering the quality of life for all living species, and that there would soon be no solution to our issues if we do not take action immediately. It will be a continuous practice in these students' lives to save environment, and they will also aim to motivate as many others as they can. Students from various classes also created reels of the practical ways of sustainable living that they discovered through this programme. They will be posted on the college's social media to spread a message to all fellow citizens of our country and the government so that everyone should make efforts to save the environment and make the earth their main priority over any other aspect of their lives. Total 50 students participated in the program and 85 students attended the exhibition.

Students present their journey of learning to make vermicompost at home and switch to sustainable waste segregation practices at home.

Kirat Karo, Naam Japo, Wand Chakho **(27.10.2023, 69 Participants)**

Divinity Club, School of Commerce and Management, GSSDGS Khalsa College Patiala organised a divine activity "Kiratkaro, Naam Japo, Wand chakko" on 27 Oct, 2023 to instill Guru Nanak Dev Ji's principles. The idea of the activity was to develop the spirit of discipline and service and the will to contribute something in the cause of religion and humanity. In the first part of activity, students and staff cleaned campus lawns(Kirat Karo) and then went to Gurudwara Sahib in the campus and recited Japji Sahib Path (Naam Japo) followed by Anand Sahib path. Kadha prasad prepared by students was distributed to the sangat at the gurudwara sahib. In the third part, the participants shared their home made meal (Wand Chako). The faculty members from different departments, sweepers, sewadars, gardeners, security guards and students sat in pangat (one queue) without any distinction to consume food prepared and served by participants. It created the feelings of brotherhood and equality between all classes and members of the society. The langar gives us a glimpse of real Sikhism both in theory and practice. Hence, the message of the activity kiratkaro- earn your living through labour, naam japo- recite the name of god, wand chakko- share your gains with everyone in society was beautifully delivered. Principal Dr. Dharminder Singh Ubha appreciated the efforts of the participants. Deputy Principal and HOD, SCM, Dr. Jasleen Kaur described seeing students work with such devotion to God as a blissful experience. Dr. Manju Mittal, Convener, Divinity Club expressed her gratitude to all the participants for their untiring efforts. Prof Harmanpreet Kaur and Prof. Kusum, members divinity club made the arrangements for the same. All the participants thoroughly enjoyed the activity.

The Warmth Campaign (19.12.23, 77 Participants)

Divinity Club, School of Commerce and Management organized an activity, "The Warmth Campaign" on 19/12/23. The activity aimed to provide some relief to people from under privileged sections of the society from harsh winter. Many of them cannot afford to buy warm clothes for winter and suffer severely due to it. Staff members from various departments and students of SCM contributed money for the campaign. College Principal, Dr. Dharinder Singh Ubha, distributed the winter wears to fellow staff members in college and appreciated the efforts of divinity club. Dr. Jasleen Kaur, Deputy Principal and HOD, SCM encouraged the team to organize similar activities in future also.

Winter wears like caps, socks, warmers, gloves, muffler, knee covers were bought with the collected funds. Staff members and students of SCM distributed the winter wears to needy ones in front of Gurudwara Dukhniwaran Sahib and Kali Mata Mandir and to road side people. By getting involved in community service at a young age, is very beneficial for student. It develops an increased sense of social responsibility and provides an opportunity to apply academic learning to real-life events.
