The primary objective of this training session was to provide students with practical insights and hands-on experience in the field of frozen foods and food packaging. By bridging the gap between theoretical knowledge and industry requirements, we aimed to empower our students to meet the evolving demands of the food industry. Hands-on workshops were organized to familiarize students with the various aspects of frozen food processing and packaging techniques. From understanding freezing methods to mastering packaging design and labelling requirements, students actively participated in practical exercises. Students were guided for the challenges commonly encountered in the frozen foods and food packaging sector. Through group discussions and problem-solving activities, they developed critical thinking skills and learned to apply their knowledge to address practical issues. Participants expressed their appreciation for the practical approach adopted in the sessions, which enhanced their understanding and confidence in pursuing careers in this field. The Placement Cell of Khalsa College remains committed to organizing such industry-relevant skill development programs to empower students with the necessary tools and knowledge for successful career advancement. We are confident that the skills acquired during this training session will serve as a strong foundation for our students to excel in the dynamic and competitive food industry landscape

**Report:**

On February 8 and 9, 2024, the Department of Fine Arts and Kirat Club collaborated to organize a two-days Calligraphy workshop at Bhai Gurdas Conference hall, Khalsa College, Patiala. The workshop witnessed the enthusiastic participation of approximately 302 students from various departments. Renowned calligraphy artist S. Hardeep Singh from Amritsar served as the resource person for the event. The workshop commenced with the special presence of Satwinder Singh Tohra, a Member of the Shiromani Gurdwara Parbandhak Committee, Sri Amritsar Sahib. Dr. Dharminder Singh Ubha, Principal of Khalsa College, inaugurated the event and praised the initiative undertaken by the Department of Fine Arts and the Kirat Club. In his address, Dr. Ubha emphasized the significance of promoting Gurmukhi calligraphy among students as a means to connect them with their rich cultural heritage. He highlighted how understanding the structure and art of Gurmukhi letters could instill a deeper appreciation of the Punjabi language. He also commended the overwhelming participation of students, viewing their interest in the Gurmukhi alphabet as a promising indicator of Punjabi's golden future. Kirat Club convener Dr. Davinder Singh and Dr. Manvir Kaur, Head of the Fine Arts Department, outlined the primary objective of the workshop: to inspire students to embrace the art of Gurmukhi calligraphy. They expressed their hopes that such initiatives would foster a lasting appreciation for the Punjabi language and script among the youth. The workshop was equally enjoyed by faculty members from various departments, who appreciated the hands-on experience and the enriching insights shared by the resource person. The event successfully bridged artistic practice with cultural learning, leaving a lasting impact on all participants.
