

Best Practice I

Title: To provide an alternate culture to the society in the contemporary scenario of eroding values.

Objectives: To sensitize the students towards their traditional values, moral legacy and cultural heritage.

Context: To provide an alternate culture to the society by providing them with value-based education and entertainment in the times of eroding values and traditions.

The Practice: To upload alternate-culture value based videos, to organise Global Punjabi Conference and to reach out to underprivileged sections of society.

Evidence of Success: More than 6000 students participated in activities that sensitized them towards their traditional values, moral legacy and cultural heritage. The Khalsa College Patiala Web TV on You Tube Channel has more than 8000 subscribers in the session 2021-2022. On this Web TV the college has uploaded following videos:
