

# Best Practices I

## Session 2022-23

**Title:** Nurturing Cultural Integrity Amidst Evolving Values: An Endeavor for Societal Upliftment

**Objectives:** Sensitizing students to the profound traditional values and rich cultural heritage of our nation in the face of diminishing moral standards.

**Context:** Offering alternative cultural paradigm to society by imparting education and entertainment grounded in enduring values and traditions during times of cultural erosion.

**The Practice:** Creating and sharing videos on the college channel that encapsulate alternative culture, featuring students and faculty. Global Punjabi Conference and various value-based programs are organized within the college community. Extending outreach initiatives to underprivileged sections of society.

**Evidence of Success:** The College has witnessed the resounding success of this best practice, with over 5000 students actively engaging in activities sensitizing them to the cherished values and cultural heritage of our country. Through innovative approaches such as alternate culture videos and inclusive events, the institution has successfully fostered a sense of cultural integrity among students, contributing to the preservation and promotion of traditional values in contemporary society.

**Problems Encountered and Resources Required:** Encountering challenges such as diverse cultural perspectives and potential resistance to change. Allocating funds for establishing community engagement platforms, dialogues, and awareness campaigns is essential for fostering a culturally inclusive environment.

**Evidence:**

### Alternate Culture:

## **Best Practices II**

**Title:** Cultivating Competencies for Enhanced Employability through Skill Development and Knowledge Enrichment

**Objectives:** To deliver education grounded in practical skills, ensuring students are timely and globally proficient to meet market demands.

**The Context:** Bridging the substantial divide between industry requirements and the skill set provided by our educational system, addressing the disparity between employment needs and the actual employability of graduates.

**The Practice:** Empowering students with employability skills through multifaceted approach, including training sessions, insightful lectures, hands-on workshops, and diverse range of courses.

**Evidence of Success:** The College excels in implementing this best practice through its renowned DDU Kaushal Kendra. The center offers successful programs such as B.Voc. in Food Processing and Engineering, Software Development, Automobile, Agriculture, and Advanced Diplomas in Greenhouse Technology, Auto Electricals and Electronics. Additionally, the institution provides a spectrum of skill-oriented certificate courses, attesting to its commitment to shaping students into competent professionals ready to meet the dynamic demands of the workforce.

**Problems Encountered and Resources Required:** With paucity of industries in the state of Punjab and particularly in Patiala, the college faces the challenge of providing students with options of industrial trainings. Creating strong industry connections requires investment in networking events and industry partnerships.

**Evidence:**

- Department of B.Voc. Food Processing and engineering, celebrated Birth anniversary Shaheed Bhagat Singh on 28<sup>th</sup> September,2022.
